

**PANTESON**  
**Lecithin after sun balm**

Code: 2606

Lecithin balm suitable for treating the skin after sunbathing. This emulsion is ideal for treating all skin types after sunbathing thanks to its content of panthenol, aloe vera extract, lecithins, vegetable oils and essential oils with calming effects on the skin. This emulsion regenerates the skin and supports the physiology of the protective layer of the skin. Panteson is suitable for sensitive individuals and also for children because there appears no intense cooling sensation after the application as it does after applying the products with peppermint.
