

## LAVENDER SPF 6

Lavender regenerative cream with protection factor

Code: 2015

Special herbal creams with lavender suitable for all skin types are particularly good for sensitive and easily inflamed skin. Carrot seed essential oil synergistically enhances the effects of lavender, but may also encourage lymphatic circulation in the face and actively promote regeneration of strained skin. The SPF 6 variety is particularly suitable for the summer season as an active protection against UV radiation.

Lavender creams keep the skin elastic and supple. They may calm sensitive, irritated and inflamed skin. They regenerate tired facial skin which gets particularly strained. They optimize physiological functions of the skin. They can be used for minor burns.

**Main ingredients:** Vegetable oils: almond, sesame, jojoba, wheat germ. Lecithin. Beeswax. Essential oils: lavender, carrot seed oil. Emulsifiers. Vitamins A, E, F, C. Beta-carotene, panthenol, glycerin, lactic acid. Distilled water.

**Application:** Wash your face, apply the required amount of the herbal regenerative cream on the skin and work in gently. The skin is not shiny after application.

**Information:** To wash your face before applying the creams, it is advised to use only surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**Tip:** The creams can also be recommended for facial skin with „spider veins“. Their calming effects can also be made use of after sunbathing.

**INCI:** Aqua, Cetearyl alcohol, Juglans regia Seed Oil, Glycine soja Oil, Octocrylene, Glycerin, Butyrospermum parkii Butter, Sesamum indicum Seed Oil, Simmondsia chinensis Seed Oil, Triticum vulgare Germ Oil, Squalane, Tocopheryl acetate, Lavandula angustifolia Oil, Cera flava, Panthenol, Butyl Methoxydibenzoylmethane, BIS- Ethylhexyloxyphenol Methoxyphenyl triazine, Sodium cetearyl sulfate, Lecithin, Urea, Lactic Acid, Melaleuca alternifolia Leaf Oil, Retinyl palmitate, Thymus vulgaris Flower/Leaf Oil, Allantoin, Rosa damascena Flower Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Beta-carotene

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.

**Producer:** 1. Aromaterapeutická KH, a. s. / Kšice 11, 349 01 Stříbro / Czech Republic/ E-mail: info@karelhadek.eu
