Sebum produced by the skin is composed of triglycerides and this is the reason why preparations with the KH logo contain only vegetable fats and oils that can be described as physiological. Actually, the use of vegetable triglycerides in combination with lecithin allows them to penetrate the skin easily. Lastly, it is also a matter of active ingredients that have to produce anti-inflammatory effects, while at the same time being nonirritating in order to soothe the oversensitive skin of individuals with atopic dermatitis. The active ingredients include many special ones. There's also the obligatory multivitamin complex. The active essential oil blend is also very interesting for having proved effective in various preparations tailored for atopic dermatitis. It is no wonder that it is essential oils, in fact, that are behind most of ATOPINAL's efficacy, and that also give it its very nice fragrance.

**Main ingredients:** Vegetable oils: jojoba wax, St. John's wort oil, shea butter, beeswax. Essential oils: lemon balm, frankincense, sandalwood, benzoin. Vitamins: A, E, panthenol. Lecithin.

**Application:** Apply as required, even several times a day, on the skin.

**Information:** To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**INCI:** Aqua, Butyrospermum parkii Butter, Sorbitan Oleate, Hypericum perforatum Flower Extract, Triticum vulgare Germ Oil, Urea, Cetyl alcohol, Cera flava, Methoxy PEG-22/Dodecyl Glycol Copolymer, Lanolin, Simmondsia chinensis Seed Oil, Olea europaea Fruit Oil, Tocopheryl acetate, Panthenol, Glycerin, Retinyl palmitate, Glyceryl stearate SE, Lecithin, Cymbopogon winterianus Herb Oil, Juniperus communis Fruit Oil, Thymus vulgaris Flower/Leaf Oil, Thymus serpyllum Oil, Geraniol, Beta-carotene, Lactic Acid, Melaleuca alternifolia Leaf Oil, Styrax benzoin Gum, Rosa damascena Flower Oil, Salvia officinalis Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Leaf Oil, Eugenol, Limonene, Citronellol, Lavandula hybrida Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Linalool, Allantoin, Citral, Vetivera zizanioides Root Oil, Boswellia carterii Oil, Melissa officinalis Leaf Oil, Santalum album Oil

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.

**Producer:** 1. Aromaterapeutická KH, a. s. / Kšice 11, 349 01 Střibro / Czech Republic/ E-mail: info@karelhadek.eu
