

ALMOND
Shower oil for kids

Code: 1207

Conceived along the same lines as shower oils, it is appropriate for washing the sensitive skin of children. It may be used by adults as well, especially by those with sensitive and inflamed skin. It has a very subtle chamomile fragrance and thanks to its composition, it is possible to use it in facial care and for the purposes of intimate hygiene, too. The mix of essential oils used in this product is known for its soothing, anti-inflammatory and antiseptic effects. The preparation helps to ease irritation.

Main ingredients: Vegetable oils, e.g. almond, canola, jojoba, walnut, shea. Lecithin. Essential oils, e.g. chamomile, palmarosa, lavender, orange leaf, Litsea-Cubeba. Emulsifier. Vitamins A, E, F.

Application: Thanks to its composition and mildness, it can be used both for general washing and intimate hygiene. The newly developed combination of essential oils is very mild towards both the skin and mucous membranes. It meets all conditions for a natural mucosa care. A pleasant fragrance, excellent washing and deodorant effects. It doesn't irritate the delicate genital mucosa.

Information: It doesn't contain any chemically obtained chamomile extract that could irritate the skin. Karel Hadek Aromatherapy preparations include in their formulations the finest Egyptian chamomile essential oil (*Oleum Chamomillae*) with unique soothing effects both in people with hypersensitive skin and with allergies!
