

SALTIA W/O
Regenerative facial mask

Code: 2404

A neutral oily mask rich in Dead Sea salts and almond oil, which is recommended for the treatment of psoriasis, certain types of dermatitis, and on irritated skin. SALTIA W/O can either be used as is, or there's a possibility of adding therapeutically relevant essential oils to enhance its effects. Most importantly, the SALTIA W/O mask appropriately complements the Saltia cream line.

Main ingredients: Vegetable oils: almond, soybean, jojoba, wheat germ. St. John's wort extract. Beeswax. Emulsifiers. Panthenol. Dead Sea oligo-minerals, lactic acid, urea. Distilled water.

Application: Wash your face, apply the required amount of the regenerative mask and work in gently, letting it work for 20–30 minutes. Then wipe it off lightly, there's no need for washing it away. The skin keeps its natural tone after application.

Tip: These regenerative masks can be used in face massage as well as after cosmetic massage, applied in a thin layer on the face, neck, décolleté and allowed to work.
