

SANDALWOOD SPF 6
Lipio serum with protection factor

Code: 1962

A lipio serum is a regenerative preparation of a whole new kind. Its ingredients are known to optimize skin functions including sebaceous gland activity. They regenerate and soften the skin and have anti-inflammatory properties – regular application may also lighten hyperpigmentation. Due to its SPF 6 protection factor, it represents a suitable protection from UV radiation.

The fragrance of this oil must be the very definition of enchanting. Along with the beautiful smell, the SANDALWOOD LIPIO SERUM possesses an excellent regenerative effect.

It is suitable as part of skin care for all types of skin, but especially for the regeneration of normal, dry and mature skin. It effectively contributes to its hydration and improves lymphatic circulation in the skin.

Its anti-inflammatory and soothing effects can be used with success on oily skin prone to inflammations, acne, or dermatitis. Even if the preparation didn't have any therapeutic properties, then the enchanting exotic fragrance alone would be a reason enough to make the purchase.

Main ingredients: Vegetable oils: borage, jojoba. Lecithin. Panthenol. Sandalwood essential oil. Vitamins E, A, F. Lactic acid. Distilled water.

Application: Apply 5–7 drops several times a day to skin previously treated with a face lotion or a toner. It is also suitable for application to the eye area. Gently rub in the emerging emulsion to the skin. Take care not to exert too much unnecessary pressure, which may disturb sensitive skin capillaries.

Warning: It is important to keep the bottle thread clean! Wipe off any residues to prevent micro-organism contamination. Shake before use.

INCI: Aqua, Lecithin, Simmondsia chinensis Seed Oil, Octocrylene, Borago officinalis Seed Oil, Tocopheryl acetate, Panthenol, Urea, Glycerin, Santalum album Oil, Butyl Methoxydibenzoylmethane, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Retinyl palmitate, Lactic Acid, Xanthan Gum, Thymus vulgaris Flower/Leaf Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10°C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
