

**LAVENDER**  
**Regenerative cream for sensitive skin care**

Code: 2014

Special herbal lavender creams can provide skin care for all skin types. Lavender oil lends the cream unique soothing and anti-inflammatory effects. Carrot seed essential oil synergistically enhances the effects of lavender, but may also encourage lymphatic circulation in the face and actively promotes regeneration of strained skin.

Lavender creams keep the skin elastic and supple. They soothe sensitive, irritated and easily inflamed skin. They regenerate tired facial skin which gets particularly strained. They optimize physiological functions of the skin. It is possible to use them when treating minor burns.

**Main ingredients:** Vegetable oils: almond, sesame, jojoba, wheat germ. Lecithin. Beeswax. Essential oils: lavender, carrot seed oil. Emulsifiers. Vitamins A, E, F, C. Beta-carotene, panthenol, glycerin, lactic acid. Distilled water.

**Application:** Wash your face and apply the required amount of the regenerative cream on the skin, working it in gently. The skin is not shiny after application.

**Information:** To wash your face before applying the cream, it is advisable to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**Tip:** The creams can also be recommended for facial skin with „spider veins“. Their calming effects can also be made use of after sunbathing.

**INCI:** Aqua, Cetearyl alcohol, Juglans regia Seed Oil, Glycine soja Oil, Glycerin, Butyrospermum parkii Butter, Sesamum indicum Seed Oil, Simmondsia chinensis Seed Oil, Triticum vulgare Germ Oil, Squalane, Tocopheryl acetate, Lavandula angustifolia Oil, Cera flava, Lecithin, Panthenol, Sodium cetearyl sulfate, Urea, Lactic Acid, Melaleuca alternifolia Leaf Oil, Retinyl palmitate, Thymus vulgaris Flower/Leaf Oil, Allantoin, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Beta-carotene

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
