

Code: 2053

LECIDERMA SHEA SUPRA SPF 6 with its mysterious fragrance is made from vegetable oils, essential oils, as well as lecithin as emulsifier, giving rise to its mild consistency and its matte, velvety appearance on the skin.

In the same way as the other creams of the lecithin range, LECIDERMA SHEA SUPRA SPF 6 has strong regenerative effects. Through its ingredients, it may protect the skin from drying out and help to optimize wrinkle formation. Carrot seed oil is also helpful, known for its powerful regenerative and healing effects when treating dermatitis, psoriasis, burns. In healthy skin, it may restore its tone and elasticity. Similar ability is characteristic for another essential oil which may slow down wrinkle formation and release nervous tension, tone the skin, bring calm, and boost the immune system. This essential oil is frankincense. Its resinous fragrance provides the cream with mysterious and spiritual notes. LECIDERMA SHEA SUPRA SPF 6 is suitable for mature skin, but it will also benefit skin prone to inflammations and tiredness. The SPF 6 variety is particularly suitable for the summer season as an active protection against UV radiation.

**Main ingredients:** Vegetable oils: jojoba, wheat germ. Shea butter. Beeswax. Lecithin. Vitamins: A, E, F. Beta-carotene, panthenol. Lactic acid. Distilled water. Essential oils: carrot seed, frankincense, myrrh, grapefruit.

**Application:** Apply as required after treating the skin with a face lotion.

**Information:** To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**INCI:** Aqua, Butyrospermum parkii Butter, Simmondsia chinensis Seed Oil, Triticum vulgare Germ Oil, Cetyl alcohol, Lecithin, Octocrylene, Panthenol, Cetyl palmitate, Cera flava, Glycerin, Lecithin, Squalane, Tocopheryl acetate, Butyl Methoxydibenzoylmethane, BIS-Ethylhexyloxyphenol Methoxyphenyl triazine, Lactic Acid, Urea, Citrus grandis Peel Oil, Xanthan gum, Boswellia carterii Oil, Retinyl palmitate, Thymus vulgaris Flower/Leaf Oil, Commiphora myrrha Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Allantoin, Daucus carota sativa Seed Oil, Beta-carotene

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
