

Code: 2016

A special cream suitable especially for problematic skin with possible minor inflammations, acne or scrapes caused, for example, by shaving. Creeping thyme oil is an exceptionally strong antiseptic thanks to thymol and carvacrol content. The cream has a pleasant, herbal fragrance.

Thanks to its components, it may optimize hydration of the skin, stimulate removal of metabolic waste products and improve physiological functions of the skin. It has strong anti-inflammatory effects.

**Main ingredients:** Vegetable oils: almond, jojoba, soybean. Waxes. Lecithin. Horse-chestnut extract. Essential oils: creeping thyme, cypress. Emulsifiers. Glycerin. Vitamins: A, E, F, C. Distilled water.

**Application:** Wash your face and apply the required amount of the regenerative cream on the skin, working it in gently. The skin is not shiny after application.

**Information:** To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**INCI:** Aqua, Glycine soja Oil, Cetearyl alcohol, Glycerin, Simmondsia chinensis Seed Oil, Prunus amygdalus Dulcis Oil, Panthenol, Cera flava, Lecithin, Tocopheryl acetate, Sodium cetearyl sulfate, Thymus serpyllum Oil, Urea, Lactic Acid, Ascorbic Acid, Aesculus hippocastanum Extract, Melaleuca alternifolia Leaf Oil, Juniperus communis Fruit Oil, Cupressus sempervirens Leaf Oil, Retinyl palmitate, Rosa damascena Flower Oil, Thymus vulgaris Flower/Leaf Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Citrus limon Peel Oil, Piper nigrum Fruit Oil, Allantoin

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
