

**LECIDERMA SHEA NEUTRAL SPF 6**  
**Lecithin-based regenerative cream**

Code: 2049

The cream is made without essential oils, and yet it has a light, very pleasant fragrance. It can be used in such cases where added essential oils are undesirable. LECIDERMA SHEA NEUTRAL SPF 6 represents a basic carrier cream which can be enriched by various active ingredients and essential oils according to the customer's needs. Any cream can be prepared this way with the required concentration of active ingredients. The SPF 6 variety is particularly suitable for the summer season as an active protection against UV radiation. This is a mild lecithin emulsion with unparalleled regenerative properties. It acts preventively against wrinkle formation. Suitable for all skin types especially for mature skin. Other required effects can be obtained by adding specific essential oils or their blends.

**Main ingredients:** Vegetable oils: macadamia, jojoba, wheat germ, shea butter. Beeswax. Lecithin. Vitamins A, E, F. Beta-carotene, panthenol. Lactic acid. Distilled water.

**Application:** Apply 2 times a day after cleansing the skin with face lotion or toner.

**Information:** To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

**INCI:** Aqua, Butyrospermum parkii Butter, Simmondsia chinensis Seed Oil, Cetyl alcohol, Macadamia ternifolia Seed Oil, Octocrylene, Panthenol, Cetyl palmitate, Lecithin, Glycerin, Triticum vulgare Germ Oil, Cera flava, Squalane, Tocopheryl acetate, Butyl Methoxydibenzoylmethane, BIS-Ethylhexyloxyphenol Methoxyphenyl triazine, Lactic Acid, Urea, Retinyl palmitate, Lavandula hybrida Oil, Thymus vulgaris Flower/Leaf Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Citrus limon Peel Oil, Piper nigrum Fruit Oil, Xanthan gum, Allantoin, Beta-carotene

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
