

SPECIAL BODY OIL SPF4
Massage oil

Code: 2601

The high quality massage oils is suitable for very sensitive skin. The oil is made of fine vegetable oil rich in vitamins and biologically active ingredients. Thanks to them, it can keep the skin smooth and supple. The contained essential oils can positively influence the processes of skin metabolism, which can help optimizing its functions, regenerate the skin and calm it down. This preparation can be used also for tired and especially stressed skin. It is also suitable for treating small burns. Thanks to its ingredients, SPECIAL BODY OIL SPF 4 helps to protect complexion from negative environmental phenomena.
