

ELEUTHEROCOCC SPF 6

Lecithin-based regenerative cream with eleutherococcus and protection factor

Code: 2008

The high-quality creams with eleutherococcus extract are primarily intended for mature and alipidic skin. Its active ingredients may help in promoting normal skin functions and optimize wrinkle formation. We recommend the eleutherococcus creams particularly to middle-aged and older women who really want only the best for their skin. Thanks to eleutherococcus extract, the eleutherococcus creams may boost metabolic processes. They act as deodorants. They keep the complexion supple and mitigate the formation of wrinkles. They regenerate tired facial skin which gets particularly strained. They have soothing effects. The effects of eleutherococcus are indisputable not only in internal application but also in cosmetic use. Eleutherococcus contains also a minimum amount of essential oils, plant hormones and vitamins.

It has proved effective not only in regular skin care, good effects have also been obtained with skin issues such as inflammatory processes including acne, atopic dermatitis, itching, hypersensitivity. The SPF 6 variety is particularly suitable for the summer season as an active protection against UV radiation.

Main ingredients: Vegetable oils: almond, jojoba, soybean, evening primrose, wheat germ. Natural unbleached beeswax. Lecithin. Eleutherococcus root extract. Essential oils: ylang-ylang. Emulsifiers. Vitamins A, E, F. Beta-carotene, panthenol. Distilled water.

Application: Wash your face and apply the required amount of the regenerative cream on the skin, working it in gently. The skin is not shiny after application.

Information: To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

INCI: Aqua, Butyrospermum parkii Butter, Cetyl alcohol, Eleutherococcus senticosus Root Extract, Juglans regia Seed Oil, Lecithin, Octocrylene, Prunus amygdalus Dulcis Oil, Cetyl palmitate, Glycine soja Oil, Triticum vulgare Germ Oil, Glycerin, Simmondsia chinensis Seed Oil, Cera flava, Tocopheryl acetate, Butyl Methoxydibenzoylmethane, Panthenol, Carnauba Cera, Oenothera biennis Oil, BIS-Ethylhexyloxyphenol Methoxyphenyl triazine, Lactic Acid, Urea, Retinyl palmitate, Thymus vulgaris Flower/Leaf Oil, Cananga odorata Leaf Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Citrus limon Peel Oil, Rosa damascena Flower Oil, Piper nigrum Fruit Oil, Beta-carotene, Melaleuca alternifolia Leaf Oil
