

**ARNICA SPF 6**  
**Regenerative facial oil with protection factor**

Code: 1903

ARNICA regenerative oil can be designated as a special product, ideal for combination skin. Thanks to arnica, this preparation may have excellent anti-inflammatory effects, promote minor injury healing and be effective against swelling. It may be relaxing, increase blood flow and optimize the functions of the skin. Arnica oil with SPF 6 provides sun protection when you're out and about in the summer months.

The preparation may give your metabolism a boost, keeping your skin supple and flexible. The active ingredients have antiseptic and deodorant properties. They return a youthful look to the tired complexion and prevent wrinkle formation. They provide complex protection against negative environmental effects. Regenerative oils also provide long-lasting hydration.

**Main ingredients:** Vegetable oils: sesame, soybean, walnut, borage. Lecithin. Essential oils: rosemary. Vitamins A, E, F.

**Application:** Having washed your face, apply a few drops of the oil on the moist complexion and gently massage the forming emulsion into the skin. Facial oils are very economical compared to creams – 30 ml of regenerative oil corresponds to 150 ml of a regular cream. The skin doesn't look oily after application. It is suitable for all skin types.

**INCI:** Sesamum indicum Seed Oil, Glycine soja Oil, Juglans regia Seed Oil, Borago officinalis Seed Oil, Arnica montana Flower Extract, Octocrylene, Tocopheryl acetate, Retinyl palmitate, Lecithin, Rosmarinus officinalis Leaf Oil, Butyl Methoxydibenzoyl-methane, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10°C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
