

LAVENDER SPF 6
Lipio serum with protection factor

Code: 1965

A lipio serum is a regenerative preparation of a whole new kind. Its ingredients are known for their ability to optimize skin functions including sebaceous gland activity. They regenerate and soften the skin and have anti-inflammatory properties – regular application may also lighten hyperpigmentation; they protect against UV radiation.

A preparation with SPF 6 provides sun protection when you're out and about in the summer months. In aromatherapy, lavender is one of the most widely used essential oils.

And it is no wonder. Being mild and having a broad spectrum of effects are properties that clearly cut it out for that role. The LAVENDER LIPIO SERUM is suitable for all skin types, especially for sensitive skin, and it may also benefit inflamed skin. The effects of lavender in this preparation are synergistically enhanced by the carrot seed essential oil. The preparation may encourage the growth of healthy cells. Apart from its regenerative properties, this LIPIO SERUM's antibacterial and anti-inflammatory effects will surely be appreciated as well as its soothing and optimizing effects.

Main ingredients: Vegetable oils: borage, jojoba. Lecithin. Panthenol. Essential oils: lavender, carrot seed, creeping thyme. Vitamins E, A, F. Lactic acid. Distilled water.

Application: Apply 5–7 drops several times a day to skin previously treated with a face lotion or a toner. It is also suitable for application to the eye area. Gently rub in the forming emulsion to the skin. Take care not to exert too much unnecessary pressure, which may disturb sensitive skin capillaries.

Warning: It is important to keep the bottle thread clean! Wipe off any residues to prevent micro-organism contamination. Shake before use.

INCI: Aqua, Lecithin, Simmondsia chinensis Seed Oil, Prunus amygdalus Dulcis Oil, Octocrylene, Tocopheryl acetate, Borago officinalis Seed Oil, Panthenol, Urea, Glycerin, Lavandula angustifolia Oil, Butyl Methoxydibenzoylmethane, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Retinyl palmitate, Lactic Acid, Daucus carota sativa Seed Oil, Thymus vulgaris Flower/Leaf Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Xanthan gum

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10°C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
