

Code: 2090

Lecithin balm suitable for treating the skin before going for a walk in the country. Lecithin emulsion with light consistence containing essential oils which are known for their repellent effect against mosquitoes and other flying insects. Lecithins together with vegetable oils and panthenol create a suitable composition for skin regeneration and supporting the skin physiology. The emulsion is excellent for treating dry and sensitive skin, and also skin with acne, psoriasis and eczema. It can be recommended for all skin types and also for sensitive children's skin.

Main ingredients: Lecithins, panthenol, ALOE VERA extract, vitamin E. Vegetable oils: St. John's wort oil macerat, wheat germ oil, almond oil. Essential oils: Peppermint oil, citronella oil, clove oil, lavender oil.

Application: Apply the required amount of emulsion on the skin. Repeated application is recommended during long walks approx. every 3 hours. **The balm doesn't replace a sunscreen product.**

TIP: The balm can be used when going to the area with tick occurrence.

INCI: Aqua, Aloe barbadensis Extract, Glycerin, Panthenol, Lecithin, Hypericum perforatum Flower Extract, Prunus amygdalus Dulcis Oil, Cymbopogon winterianus Herb Oil, Tocopheryl acetate, Xanthan gum, Geraniol, Mentha piperita Oil, Eucalyptus citriodora Oil, Citronellol, Lavandula angustifolia Oil, Cedrus deodara Wood Oil, Cymbopogon schoenanthus Oil, Citral, Eugenia caryophyllus Leaf Oil, Retinyl palmitate, Eugenol, Linalool, Rosa damascena Flower Oil, Limonene, Thymus vulgaris Flower/Leaf Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil
