

Code: 2024

A luxury lecithin cream for all skin types, especially for sensitive, easily inflamed and aging skin. Royal jelly (Gelée Royale) is a bee product that through its constituents exhibits a great degree of biological activity. It is little wonder that implementation of this active ingredient has not diminished over the years. In fact, the opposite is true. Chemical analyses of royal jelly do confirm the empirical evidence. The cream has a very interesting smell produced by the exclusive orange flower oil (neroli). It keeps the skin supple. It has a beneficial effect on wrinkle formation. It calms sensitive skin. It optimizes physiological functions of the skin. Suitable for middle-aged and older women.

Main ingredients: Vegetable oils: almond, sesame, jojoba, shea butter. Waxes. Royal jelly. Essential oils: orange flower (neroli). Vitamins A, E, F. Panthenol, beta-carotene. Lecithin. Distilled water.

Application: Wash your face and apply the required amount of the regenerative cream on the skin, working it in gently. The skin is not shiny after application.

Information: To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

INCI: Aqua, Butyrospermum parkii Butter, Cetyl alcohol, Simmondsia chinensis Seed Oil, Lecithin, Sesamum indicum Seed Oil, Cetyl palmitate, Prunus amygdalus Dulcis Oil, Juglans regia Seed Oil, Triticum vulgare Germ Oil, Royal Jelly Extract, Panthenol, Glycerin, Cera flava, Squalane, Tocopheryl acetate, Lecithin, Lactic Acid, Urea, Retinyl palmitate, Xanthan gum, Thymus vulgaris Flower/Leaf Oil, Citrus limon Peel Oil, Lavandula hybrida Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus aurantium amara Flower Oil, Citrus aurantium amara Leaf/Twig Oil, Allantoin, Beta-carotene

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
