

NASAL OIL
Oil for treating nasal mucosa

Code: 1601

With its special mission, NASAL OIL is an excellent and effective natural preparation. It contains mild vegetable oils which create a protective layer on the nasal skin and mucosa, protecting it from drying out, e.g. through central heating, as well as from negative environmental phenomena like pollen allergies or hay fever. Its active ingredients are known for their soothing effect. Thanks to their capillary action, they can get to the nasal mucosa and improve its physiological functions. The essential oils in this product can work against the settling and reproducing of infective microorganisms which cause cold.

Main ingredients: Vegetable oils: almond, soybean, borage. St. John's wort extract. Essential oils: lemon, eucalyptus, mint, creeping thyme, tea tree, etc. Vitamins, e.g. A, E, F.

Application: The oil can be used when having a cold or respiratory problems and it will help to ease breathing. The preventive use is also encouraged approx. a month prior to the pollen season. When necessary apply 1–2 drops of oil around and in the nostrils.

Warning: Not suitable for children under 3 years!

INCI: Prunus amygdalus Dulcis Oil, Glycine soja Oil, Triticum vulgare Germ Oil, Juglans regia Seed Oil, Hypericum perforatum Flower Extract, Borago officinalis Oil, Tocopheryl acetate, Mentha piperita Oil, Retinyl palmitate, Lecithin, Eucalyptus globulus Leaf Oil, Citrus limon Peel Oil, Thymus serpyllum Oil, Melaleuca alternifolia Leaf Oil
