A lipio serum is a regenerative preparation of a whole new kind. Its ingredients are known to optimize skin functions including sebaceous gland activity. They regenerate and soften the skin and have anti-inflammatory properties – regular application may also lighten hyperpigmentation; they protect against UV radiation. Phospholipids, the main constituent of these preparations, act not only on the surface of the skin, their effect is evident also in its deeper layers. They improve skin metabolism, including the so called skin “breathing”. As such, it has a positive effect on the structure of the skin, especially on its softness, also by preventing excessive moisture loss. Thanks to juniper oil, LMP LIPIO SERUM can be described as a special preparation that helps to improve lymphatic circulation, thereby washing away metabolic waste products from facial skin. The effects of a lecithin-based preparation are enhanced by vitamins and a special formulation of essential oils. A regular, long term use will lighten up your complexion. The preparation has worked well also for people who suffer from minor swellings.

**Main ingredients:** Vegetable oils: borage, jojoba. Lecithin. Panthenol. Essential oils: juniper berry. Vitamins A, E, F, C. Lactic acid. Distilled water.

**Application:** Apply 5–7 drops several times a day to skin previously treated with a face lotion or a toner. It is also suitable for application to the eye area. Gently rub in the emerging emulsion to the skin. Take care not to exert too much unnecessary pressure, which may disturb sensitive skin capillaries.

**Warning:** It is important to keep the bottle thread clean! Wipe off any residues to prevent micro-organism contamination. Shake before use.

**INCI:** Aqua, Lecithin, Simmondsia chinensis Seed Oil, Prunus amygdalus Dulcis Oil, Tocopheryl acetate, Borago officinalis Seed Oil, Panthenol, Urea, Glycerin, Juniperus communis Fruit Oil, Royal Jelly Extract, Retinyl palmitate, Lactic Acid, Ascorbic Acid, Thymus vulgaris Flower/Leaf Oil, Rosa damascena Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Xanthan Gum

**Storage:** The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10°C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
