

ALHEA SPF 6

Regenerative cream with protection factor for skin with potential signs of couperose

Code: 2005

The active ingredients found in the preparation may improve the functioning of facial capillaries, stimulate the blood flow, thereby potentially mitigating or eliminating the cosmetic defect known as „spider veins“. The cream can be used continually on a daily basis. Its components are known for their regenerative properties. They keep the skin soft. They reduce capillary blood pressure.

ALTHEA SPF 6 contains a protective factor that protects the skin from excessive ultra-violet radiation, which is crucial when it comes to the problem of spider veins.

Main ingredients: Vegetable oils: almond, soybean, jojoba, borage. Beeswax. Essential oils: juniper, lemon. Emulsifiers. Vitamins A, E, F. Beta-carotene, panthenol. Distilled water.

Application: Apply the ALTHEA cream to the face several times a day. Take care not to exert too much unnecessary pressure, which may disturb sensitive skin capillaries.

Information: To wash your face before applying the cream, we advise to use surfactant-free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

INCI: Aqua, Cetearyl alcohol, Octocrylene, Glycine soja Oil, Glycerin, Panthenol, Prunus amygdalus Dulcis Oil, Simmondsia chinensis Seed Oil, Triticum vulgare Germ Oil, Tocopheryl acetate, Lecithin, Butyl Methoxydibenzoylmethane, Theobroma cacao Seed Butter, Butyrospermum parkii Butter, Cera flava, Sesamum indicum Seed Oil, BIS-Ethylhexyloxyphenol Methoxyphenyl triazine, Sodium cetearyl sulfate, Borago officinalis Seed Oil, Retinyl palmitate, Juniperus communis Fruit Oil, Melaleuca alternifolia Leaf Oil, Cupressus sempervirens Leaf Oil, Thymus vulgaris Flower/Leaf Oil, Allantoin, Citrus limon Peel Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Rosa damascena Flower Oil, Piper nigrum Fruit Oil, Rutin, Aesculus hippocastanum Extract, Lavandula angustifolia Oil, Anthemis nobilis Flower Oil, Melilotus officinalis Herb Oil, Beta-carotene

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
