

Code: 1951

A lipio serum is a regenerative preparation of a whole new kind. Its ingredients are known to optimize skin functions including sebaceous gland activity. They regenerate and soften the skin and have anti-inflammatory properties – regular application may also lighten hyperpigmentation; they protect against UV radiation.

Rose is often lauded as the queen of flowers. It isn't just for its beauty but also for its fascinating fragrance. The price of the essential oil extracted from it largely reflects its regal status. Its mildness and biochemical composition make LIPIO SERUM ROSE fit for the purpose of regeneration and toning of all skin types, with sensitive and mature skin in particular. Thanks to its ingredients, it may have some interesting therapeutic properties. It may strengthen skin capillaries and improve blood circulation (couperose). We should also mention its antibacterial effects, which contribute in healing minor inflammations. Nevertheless, it seems that this preparation will be purchased primarily for its amazing smell and the therapeutic properties will be appreciated just as a welcome side effect.

Main ingredients: Vegetable oils: borage, jojoba. Lecithin. Panthenol. Bulgarian rose oil. Vitamins E, A, F. Lactic acid. Distilled water.

Application: Apply 5–7 drops several times a day to skin previously treated with a face lotion or a toner. It is also suitable for application to the eye area. Gently rub in the emerging emulsion to the skin. Take care not to exert too much unnecessary pressure, which may disturb sensitive skin capillaries.

Warning: It is important to keep the bottle thread clean! Wipe off any residues to prevent micro-organism contamination. Shake before use.

INCI: Aqua, Lecithin, Simmondsia chinensis Seed Oil, Triticum vulgare Germ Oil, Squalane, Borago officinalis Seed Oil, Tocopherol, Panthenol, Urea, Glycerin, Rosa damascena Flower Oil, Retinyl palmitate, Lactic Acid, Thymus vulgaris Flower/Leaf Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Rosmarinus officinalis Leaf Oil, Eugenia caryophyllus Flower Oil, Piper nigrum Fruit Oil, Citrus limon Peel Oil, Xanthan Gum

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10°C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
